**LeasePlan USA Announces ADESA Buffalo Winner of 2010 Stellar Performance Award**

*Carmel, IN*—LeasePlan USA awarded ADESA Buffalo the 2010 Stellar Performance Award for the Northeast.

“What a great accomplishment for our team to be recognized with this award,” said ADESA Buffalo General Manager Warren Clauss. “To be presented with the Stellar Performance Award demonstrates ADESA Buffalo’s commitment to LeasePlan, and the exceptional service and quality we deliver every day.”

LeasePlan presents this award to the auction that outperforms all others in the region in three key areas: condition reports, average days to sell and gross retention. They are committed to exceeding client expectations by ensuring the highest quality service and expertise.

Clauss added, “ADESA Buffalo truly exemplifies the LeasePlan brand promise. I’m proud of our team for consistently proving their hard work and dedication to our customers.”

**About LeasePlan USA**

LeasePlan USA is one of the largest fleet leasing companies in the United States. In 1983, the company began operating as a wholly owned subsidiary of LeasePlan Corporation, an innovative global leader in vehicle leasing and fleet management solutions. Today, LeasePlan USA manages 385,000 vehicles for a broad range of clients including large multi-national corporations, nationally based companies as well as regional and local companies. LeasePlan’s dedication to providing its clients with the highest level of proactive service is unsurpassed. The company operates a live customer contact center 24 hours day, every day, year-round. The contact center is always available to keep drivers on the road and focused on their jobs.

**About ADESA**

ADESA offers a full range of auction, reconditioning, logistical and other vehicle-related services to meet the remarketing needs of both its institutional and dealer customers. With 70 auction locations in the United States, Canada and Mexico, strategically located near metropolitan areas with a large concentration of used vehicle dealers, the company is well positioned to host physical and Internet auctions. ADESA LiveBlock simulcasts vehicles worldwide. ADESA DealerBlock offers two ways to buy: bid-now sales events or buy-now pricing 24/7. Through its related subsidiaries of AutoVIN® and PAR North America, it is also able to provide additional services including inspections, inventory audits and remarketing outsourcing solutions including a network of repossession agents, titling and auction sale representation. Visit ADESA.com for details.
