U.S. Bank Recognizes ADESA Dallas Top Lease End Auction Award

Carmel, IN— ADESA announced today that U.S. Bank recently awarded ADESA Dallas the 2010 Top Lease End Auction Award. This is the first time an ADESA location has been recognized with this top honor.

“My entire team at ADESA Dallas has worked hard to develop and maintain a successful partnership with U.S. Bank,” said ADESA Dallas General Manager Ken Osborn. “I’m pleased they have been recognized for their dedication and service.”

The Top Lease End Auction Award is based on the auction’s 2010 performance in areas such as retention, turn time, sale percentage and operational service. ADESA Dallas ranked first place for U.S. Bank’s lease end portfolio for the year.

“We truly have an auction-wide commitment to customer service at ADESA Dallas,” added Osborn. “We have a great team. We work hard, and we love what we do.”

About ADESA

ADESA offers a full range of auction, reconditioning, logistical and other vehicle-related services to meet the remarketing needs of both its institutional and dealer customers. With 70 auction locations in the United States, Canada and Mexico, strategically located near metropolitan areas with a large concentration of used vehicle dealers, the company is well positioned to host physical and Internet auctions. ADESA LiveBlock simulcasts vehicles worldwide. ADESA DealerBlock offers two ways to buy: bid-now sales events or buy-now pricing 24/7. Through its related subsidiaries of AutoVIN® and PAR North America, it is also able to provide additional services including inspections, inventory audits and remarketing outsourcing solutions including a network of repossession agents, titling and auction sale representation.
